# New Hamptons restaurants to try this summer

## Sag Harbor Kitchen

*26 Bay St., Sag Harbor*

Taking over the Dockside space across from Sag Harbor's Marina, five-time Michelin Bib Gourmand recipient Melissa O'Donnell helms the kitchen, in partnership with Kittch, the culinary platform that connects chefs directly with diners. In addition to featuring local seafood and produce from the Hamptons mixed with casual comforts like burgers, the restaurant will also offer special events with visiting chefs, cooking classes and livestreams from inside the kitchen. Opening mid-June. More info: [sagharbor.kitchen](https://sagharbor.kitchen)
